TESTIMONIES

Here's what some of our previous clients had to say about our service:

Rochelle & Lachlan did our wedding reception and were AMAZING!!

They learnt songs for us and played an excellent variety of music for the night. There wasn't one time in the night that the dance floor was empty while they were playing. They certainly gave the reception that 'party' feel, yet still kept it as special personalised occasion.

-Leigh & Jason

Jeff & I want to thank Rochelle & Lachlan so very much for the awesome job you both done at our wedding!!! Everyone loved you guys you were so much more than great.

No words can express how really thankful we are!!

Xxxx

Nicole and Jeff

We were so happy we decided to go with Rochelle Lees Band for our wedding. They were highly recommended to us through a number of friends. We found them to be very professional, reasonably priced and accommodating to our needs. Contact was regularly maintained during the lead up to the wedding and we loved that they included us in organising the playlist. Everyone at the wedding was so impressed with their performance. They had everyone up dancing by the second song! They made our reception very special and memorable.

TERMS AND CONDITIONS

****PLEASE READ OUR TERMS AND CONDITIONS THOROUGHLY PRIOR TO MAKING A BOOKING****

PERFORMANCE TIMES

Our performance time is a maximum of 3 HOURS (3 x 45 minute sets with breaks which is an OHS requirement). We will play music through our system during our set breaks.

Please note that when making a booking start/finish times are important. Our contracted times are final and must be transparent 48 hours before the performance date. Your nominated performance start time will indicate the finish time which remains fixed. For example, if you want music at 8:30pm on the night, our performance times will be 11:30pm. If your ceremony or proceedings run over time, our finish time will remain the same (see the above example, 8:30pm – 11:30pm).

Our rates are for musical performance only. **The use of our PA system is an additional service and is charged as such.** Generally, most venues have an in house PA system as part of their hire service. Our gear is very expensive and vital to our livelihood. Should you require an additional service for speeches or entry music. You will need to hire the gear and a person to supervise the safe usage of our equipment.

MUSIC/SPECIAL SONGS

If we are required to learn a wedding waltz/first dance for your special occasion or party, we need to be informed of the song ***no later than ONE MONTH before the wedding date*** and sometimes the musical arrangements may not be feasible.

We may require you to send us a CD or mp3 of the song so that we have the exact version of your special song.

We try the very best to accommodate your wishes and work with you to co-ordinate entertainment that will enhance your special day.

If you want to 'save the date' we require a non-refundable deposit of 50% of our fees to secure that date for you. FINALISING PAYMENTS:

We require that a FULL PAYMENT is to be paid NO LATER than ONE WEEK before the event date. You can pay this at anytime, however, we request that you notify us via email before transferring or depositing cash into our accounts.
